Bentley Systems, Incorporated Declares First Quarter 2023 Dividend

EXTON, Pa. – Jan. 25, 2023 – Bentley Systems, Incorporated (Nasdaq: BSY), the *infrastructure engineering software* company, today announced that its Board of Directors increased by two cents the regular quarterly dividend effective from the first quarter of 2023 and declared a \$0.05 per share dividend for the first quarter of 2023. The cash dividend is payable on March 7, 2023 to all stockholders of record of Class A and Class B common stock as of the close of business on February 21, 2023.

CFO Werner Andre said, “Our increased dividend reflects our strong cash flow generation and commitment to broadly balanced capital allocation between acquisitions, dividends, repurchase of stock and convertible debt to offset dilution from stock-based compensation, and deleveraging.”

This press release contains statements that are not historical in nature and that are intended to be, and are hereby identified as, “forward looking statements” as defined in the Private Securities Litigation Reform Act of 1995, including a statement regarding expectations as to payment of a

quarterly cash dividend in the foreseeable future. Any future determination as to payment of dividends will depend upon the financial condition and results of operations of the company and such other factors as are deemed relevant by the board of directors. For example, macroeconomic conditions, pandemic consequences, a change in business needs including working capital, or a change in income tax law relating to dividends, could cause the company to decide not to pay a dividend in the future. A discussion of other risks and uncertainties is included in the company's filings with the SEC, including its Annual Report on Form 10-K for the year ended December 31, 2022, and subsequent filings.
